## About Me

Information Technology graduate from Jimma University with internship experience at Ethiopian Airlines Head Office and Cisco CCNA certification. Brings practical experience in data handling, technical support, teamwork, and communication.

## KEY PROJECTS

### Event Linker Platform (Final Year Project)

**Role:** Frontend Developer & Database Developer

**Technologies:** React.js, Node.js, SQL Server, REST API

- Developed responsive user interfaces using React.js.
- Designed and managed the project database to support efficient data storage and retrieval.
- Assisted with backend development and API integration.
- Worked collaboratively throughout the software development lifecycle, from planning to testing and deployment.
- Delivered a platform that connects customers with event organizers through a centralized digital system.

### Personal Portfolio Website

- Designed and developed a responsive portfolio website to show case technical skills and completed projects.
- Integrated project demonstrations, technical information, and contact features.
- Applied responsive design principles for desktop and mobile devices.

### Defect & Issue Reporting System – Ethiopian Airlines Head Office Backend Developer | ASP.NET Core, C#, SQL Server, Gemini API

- Developed backend features for an enterprise defect reporting system using ASP.NET Core, C#, and SQL Server.
- Implemented AI-powered issue classification, notifications, and role-based authentication.
- Collaborated with the development team to deliver secure and reliable system functionality.

## CERTIFICATIONS

- Cisco Certified Network Associate (CCNA)
- Enterprise Networking, Security and Automation
- Switching, Routing and Wireless Essentials
- Cisco Cybersecurity
- Web Development – Udacity

## TECHNICAL SKILLS

**Programming:** C#, ASP.NET Core, React.js, JavaScript

**Database:** SQL Server, MySQL

**Networking:** Cisco CCNA, Routing & Switching, Enterprise Networking, Wireless Networking, Network Troubleshooting

**IT Support:** System Installation, Hardware & Software Troubleshooting, Technical Support

**Tools:** Git, GitHub, Microsoft Word, Excel, PowerPoint

## LEADERSHIP

- Department Representative, Jimma University
- Vice President, Campus Ministry (Gibi Gubae)
- Active participant in Student Union activities
